

WHY I MARKET PROPERTIES ONLINE

- More than 90% of all Buyers start their search online
- Buyers use the Internet to search for properties more than any other media
- Buyers say the two most important features are photos and detailed descriptions
- Buyers are nearly 5 times more likely to find the property they purchase online rather than the newspaper
- Most Agents merely "POST" your listing. I "**HOST**" your property to millions of online consumers

MY ONLINE MARKETING SYSTEM

My marketing system uses the latest technology to get you the most exposure for your property and to generate leads. The Presentation and Mobile Tours allows prospective buyers to submit their information to me, so I'm ready and available any time a potential buyer wants to learn more about your property.
